Education and Training

		RESULTS
Sept 2022 – July 2024	Université de Bourgogne, University of Cassino, University of Girona , MSc. Medical Imaging and Applications	Graduating Soon
May 2023 – July 2023	Oxford Mathematical Institute , Oxford ML Summer School	Attended/Complete
Aug 2021 – Nov 2021	Udacity , AI for Healthcare Nanodegree	Graduated
Sept 2017 – April 2022	Universiti Teknologi Malaysia , Biomedical Engineering	First Class Honors

Work Experience

	Industries: Healthcare, Digital, Medical Equipment Manufacturing
Feb 2024 – July 2024	AI Research Intern, ScreenPoint Medical, Netherlands
Sept 2022 – Mar 2023	Full Stack Engineer – AI Team (Part-time), DoctorOnCall, Malaysia <ol style="list-style-type: none">1. Gathered and addressed technical and design requirements.2. Lead several machine learning projects through research and development, and mentored interns.3. Actively participate in development and deployment for multiple projects including marketplace, e-pharmacy, dashboards, and AI solutions.
Mar 2022 – Sept 2022	Junior Developer, DoctorOnCall, Malaysia <ol style="list-style-type: none">1. Participate in the entire application development lifecycle of designing implementing different applications.2. Maintained databases and lead all healthcare AI-related platforms.
June 2020 – Mar 2022	AI & Technology Intern, DoctorOnCall, Malaysia <ol style="list-style-type: none">1. Accelerated the company development plan and increased the performance by optimizing the codebase and conducting training sessions.2. Applied ML/DL knowledge in developing world-class and national-level winning projects.
May 2019 – July 2019	Biomedical Engineering Intern, King Saud Medical City (KSMC), Saudi Arabia <ol style="list-style-type: none">1. Acquired knowledge about medical devices maintenance and equipment.

Global and National Awards

2023	Acquisis International Mobility Grant – Region Bourgogne Franche Comte (RBFC)
2022	Awarded Erasmus Mundus Joint Master's Degree (EMJMD) Scholarship
2022	1 st Place – Global United Nations AI For Good Challenge 2022 for Healthcare AI
2021	Awarded "Dreamcatcher Best Demo Award" – Innovative Malaysia Design Competition (IMDC)
2021	2 nd Runner Up – AWS Technology Track in Innovative Malaysia Design Competition (IMDC)
2020	Awarded "TGL Best Demo Video Award" – TheGreatLab TGL
2020	2 nd Runner Up – Chipta Hackathon

Digital Capabilities & Experience

Cloud	GCP, AWS, Heroku Cloud, Firebase
Database	NoSQL, PostgreSQL, Firebase Firestore, Redis
Languages/Frameworks	HTML, CSS, JavaScript, NextJS, NodeJS, ExpressJS, Python, PyTorch, MATLAB, C, C++, EJS, R, Java, Flask, Tensorflow
